Hi Gates,

Maybe I am having a problem reading plain english today? But the word 'IS' seems to be my objection correct?

It still states 'IS'?

Patrick K. McDonnell or Cabbagetech, Corp. d/b/a Coin Drop Markets is a subscriber of the electronic communications service or remote computing service Slack Technologies.

Your effort to show cause is really baffling and creating more issues due to your lack of just doing the correct thing.

Regards,

Patrick K. McDonnell
